## Am I Eligible?

All registered international students are required to enroll in the Student Health Insurance Plan, or provide proof of comparable coverage. The insurance premium will be automatically assessed on the student's tuition bill. In order to have the insurance premium removed from the tuition, students must complete the online waiver at [ecok.myahpcare.com](http://ecok.myahpcare.com) by August 31, 2020 for the fall and January 28, 2021 for the spring.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium.

If you no longer meet the eligibility requirements contact Academic HealthPlans at (855) 871-9859 prior to your termination date.
