1 How to Search for Doctors and Hospitals

The screenshot shows the top navigation bar with the Massachusetts logo, a search bar containing 'Internal medicine', and a 'Log In' button. Below the search bar, a dropdown menu is open, listing various specialties and facilities. The specialties listed are: Internal Medicine - Physician - Professional, Internal Medicine - Nurse Practitioner - Professional, Internal Medicine - Physician Assistant - Professional, and Maternal and Fetal Medicine - Professional. The facilities listed are: Search for: Internal medicine, Internal Medicine, South Shore Internal Medicine Associates, Internal Medicine Associates PC, Internal Medicine Health Associates PC, Internal Medicine and Preventative Care, Internal Medicine PC, Internal Medicine Hospital Specialists, and Internal Medicine at Rush. The main content area features a 'Find a Doctor & Estimate Costs' section with a search field and a 'Find Medical Care' button.

Type the doctor's name or specialty. You can also use keywords like heart, knee, or eye. A drop-down menu will provide you with results to choose from.

Once you make a selection from the drop-down menu, the search auto-initiates based on your current location.

The screenshot shows the search interface with the location set to 'Boston, MA'. The search bar contains 'Search doctors, hospitals and more'. Below the search bar, there are four guided search buttons: 'Find Medical Care' (Doctors, specialists, hospitals, PCP, Labs and more), 'Find a Dentist' (Dentists, orthodontists, periodontists, endodontists and more), 'Find Medical Equipment' (Prosthetics, wigs, breast pumps, respiratory supplies and more), and 'Find Urgent Care Centers' (Urgent care centers and retail clinics). The main content area features a 'Find a Doctor & Estimate Costs' section with a search field and a 'Find Medical Care' button.

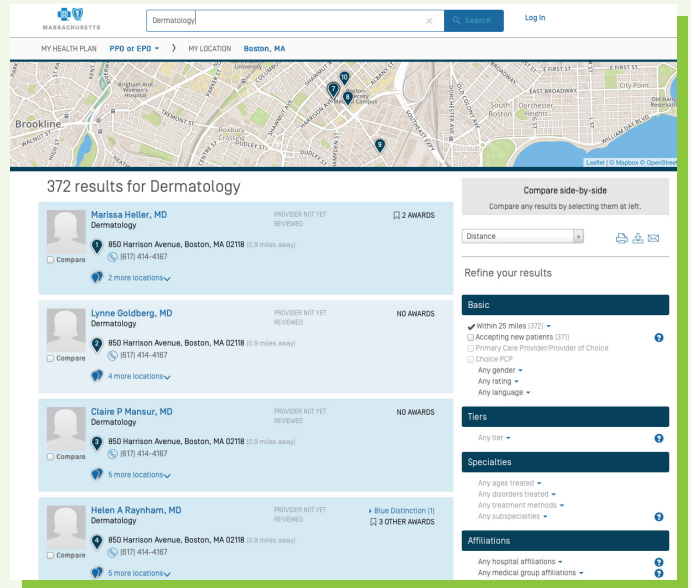

Change your location here. You even have the option to search nationwide!

Find what you need by clicking one of our easy-to-follow guided searches.

2 Using the Results Page

Your results page will list all nearby providers, their contact information, ratings, and more.

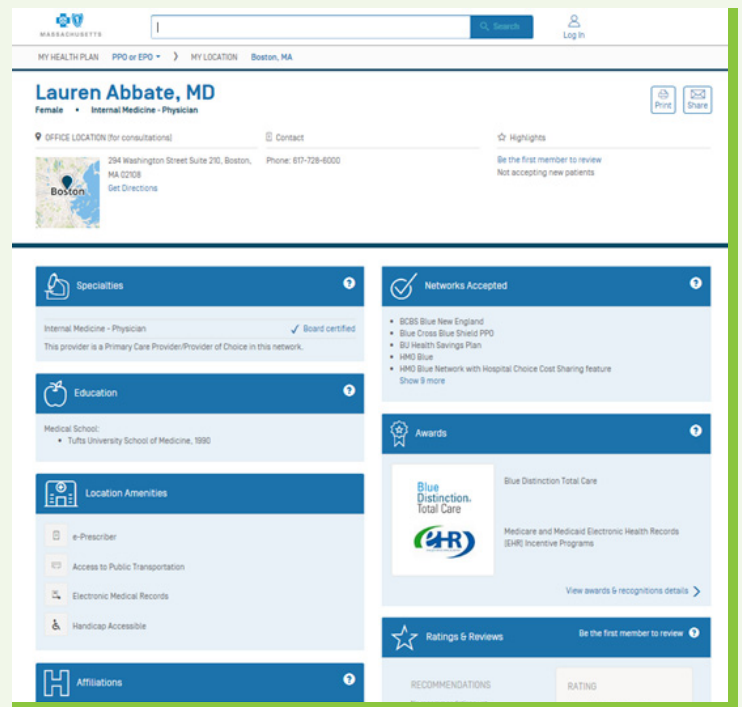

- Narrow your results by specialty, gender, quality, languages, and more.
- Compare up to ten doctors.
- Click a provider's name for more information, including patient reviews of doctors, directions, and quality ratings.
- You also have the ability to create a PDF and email the results.
- And more!

3 Provider's Detail Page What to Look For

- Specialties
- Directions
- Read and write reviews
- Languages
- Awards*
- And more!

* Awards and recognitions are given to doctors and hospitals that demonstrate a high level of performance in providing care.

Get Quality of Care Ratings

Quality and cost of health care vary by doctor and hospital. Selecting the right care is an important decision. We offer objective and reliable information based on patient experiences and measurable clinical data.

Doctors:

- Learn from patients' experiences, such as how well the doctor communicates, ease of getting an appointment, and how well the doctor knows their patients.
- See how well doctors do in providing preventive care, such as cancer screening and immunizations, as well as chronic disease management such as diabetes care.
- Find doctors in the [Physician Recognition Program](#), which recognizes doctors who agree to accept accountability for providing high-quality, high-value, patient-centered health care.

Hospitals:

- Learn from patient feedback, such as how well doctors and nurses at the hospital communicated, how well the hospital helped patients prepare for managing at home, and who would recommend the hospital to family and friends.
- See how acute care hospitals performance measures for recommended hospital care for five conditions: heart attack, heart failure, pneumonia, surgical care improvement and infection prevention, and pediatric asthma.
- Find hospitals with [Blue Distinction Centers designations \(Blue Distinction Total Care, Blue Distinction Center, and Blue Distinction Center+\)](#)—hospitals that have received recognition for delivering high quality specialty care, including bariatric surgery, spine surgery, knee and hip replacement, maternity care, cardiac care, and transplants.

[Blue Distinction Center Total Care \(BDTC\)](#)—Doctors and hospitals recognized for their efforts in coordinating total patient care.

[Blue Distinction Center \(BDC\)](#)—Healthcare facilities recognized for their expertise in delivering specialty care.

[Blue Distinction Center+ \(BDC+\)](#)—Healthcare facilities recognized for their expertise and efficiency in delivering specialty care.
