

Houston Community College 2019-2020 Student Health Insurance Plan

Eligibility

All international students holding an "F-1" or "J-1" visa and enrolled at Houston Community College will be automatically enrolled in and billed each semester for coverage under the Plan unless a waiver of coverage has been submitted and approved online at hccs.myahpcare.com/waiver by the waiver deadline date each semester. No waivers will be accepted after the waiver deadline date.

A student who initially waived coverage under the Plan but subsequently experiences ineligibility under another creditable coverage plan may elect to enroll for coverage under the Plan within 31 days of the date of ineligibility. Proof of ineligibility under another creditable coverage is required at the time the enrollment form is submitted.

An eligible student must actively attend classes at the college for at least the first 45 days of the period for which he or she is enrolled. Students who fully withdraw after 45 days will remain covered under the Plan and no refund will be made. Eligibility requirements must be met each time premium is paid to continue coverage. The Company maintains the right to investigate student status and attendance records to verify that the Plan eligibility requirements have been met. If it is discovered that the Plan eligibility requirements have not been met, the Company's only obligation is to refund premium, less any claims paid.

How do I Waive?

If you have other adequate health insurance and would like to waive out of the Student Health Insurance Plan, you must go online to hccs.myahpcare.com and complete the online waiver by the deadline dates each semester. The waiver deadline date for Fall is September 24, 2019, the Spring deadline is February 18, 2020 and the Summer deadline is June 11, 2020.
