Help to Create or Login to Your AHP Enrollment Account

Why do I need an AHP Account?

To view your current student health insurance coverage/enrollment information.

NOTE: You will not be able to enroll or waive within this account. If you are looking to enroll/renew your student health insurance coverage or find out if dependent coverage and/or dental coverage is available at your school, you will need to visit the Enroll/Cost tab and select the appropriate student category for which you are eligible. **Please note, you can only enroll during the open enrollment period.**

How do I access my AHP Account?

I currently have an AHP account; how do I access it? If you already have student health insurance and want to view your current coverage, click here to take you to your AHP enrollment account.

I am a new user; how do I create an AHP account? You must register to create an AHP account. If the school enrolls you automatically or you have never registered for an account, please click here to register and create an account.

Can I view my waiver status in my AHP Account?

No – if your school allows you to waive, there is a separate waiver account, different from your AHP enrollment account. To view your waiver status, please go to the Opt-Out tab (on your AHP school website) and scroll to the waiver link on the bottom of the page. You will be prompted to sign in. **Please note, the waiver link will only be available during the waiver period.**
