- 1. I have read and agree to the Terms & Conditions.
- 2. I attest that if I am a Postdoctoral Fellow or House Staff enrolling a Domestic Partner or a child of a Domestic Partner in coverage I must contact ahp@benefits.jhu.edu or postdoctoral@jhu.edu or housestaff@jhu.edu immediately. Under section 152 of the Internal Revenue Code, unmarried domestic partners are not recognized as dependents. Therefore, the fair market value of the health insurance benefits provided by the university for a domestic partner must be treated as taxable income. This means that taxes will be calculated on the difference in the premium for individual and two-party coverage that is paid by the university. This amount will be reflected on your pay statement. If you are not a postdoctoral fellow or house staff please check the box and proceed with the attestations.
- 3. I understand the issuing insurance carrier(s) have the right to investigate my student status and attendance records each semester to verify that the Policy eligibility requirements have been met. In the event that an issuing insurer determines that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
- 4. **Dependent Eligibility Requirements.** Any dependents enrolled in the Medical Insurance Plan must be eligible for coverage. The carrier may audit dependents to verify their eligibility. If your dependent(s) is/are selected for audit, the carrier will email you with instructions to submit the documents needed to verify your dependent(s) eligibility. See Continuing Dependent Enrollment.
  - 1. You confirm that you have read the eligibility requirements for dependents. (Found in the brochure on the Benefits page of this website.)
  - 2. You confirm that your dependent(s) is/are eligible for coverage.
  - 3. You confirm that you will submit documentation required to verify your dependent(s) eligibility if audited by the carrier.

- Once you submit payment, your enrollment will be sent to Wellfleet. Your coverage will be retroactive to the date that you lost coverage.

**Important Things to Know:**

- Charges for continuation coverage cannot be added to SIS bills.
- Once you choose your coverage period, you won't be able to extend it later. For example, if you initially sign up for just one month, you won't be able to add more time later.
- You can extend your coverage for a maximum of 3 months. If you think you might need more coverage after that, you might want to check out plans available through the HealthCare Marketplace or Mercer Indigo.
- Once you submit your payment, please remember that it's non-refundable.
