

Important Information About Dependent Enrollment

Any dependents enrolled in the Medical Insurance Plan must be eligible for coverage.

The carrier may audit dependents to verify their eligibility. If your dependent(s) is(are) selected for audit, the carrier will email you with instructions to submit the documents needed to verify your dependent(s) eligibility.

By continuing dependent enrollment:

- 1) You confirm that you have read the eligibility requirements for dependents. (The eligibility requirements may be found in the brochure on the Benefits page of this website)
- 2) You confirm that your dependent(s) is (are) eligible for coverage.
- 3) You confirm that you will submit documentation required to verify your dependent(s) eligibility if audited by the carrier.
