

Graduating or Losing Eligibility for SHIP?

Here's What to Do Next!

If you're graduating or otherwise becoming ineligible for the Student Health Insurance Plan (SHIP), don't worry — you still have options for coverage!

⚠ Note: Students are *not eligible for COBRA*, and only medical coverage can be extended through the continuation option.

Option 1: Enroll in SHIP Continuation Coverage

Stay covered for **1, 2, or 3 additional months** at the current monthly rate.

- Log in to your [Academic HealthPlans \(AHP\)](#) account using your JH credentials.
- Choose **Continuation Coverage** and select your desired length.
- **Payment is required** at the time of enrollment.
- **⚠ Note:** Once a duration is selected, it **cannot be changed**.

Option 2: Need Coverage for More Than 3 Months?

Explore your options on the [ACA HealthCare Exchange – Mercer Indigo](#).

- Visit the [Mercer Indigo site](#).
- Complete a quick questionnaire.
- Get matched with an **affordable, comprehensive** health plan.
