

## Student and Learner Fertility Benefits

Students and Learner, their spouses, and domestic partners can access benefits for fertility-related treatments and services. These benefits are available to opposite-sex and same-sex male and female couples.

### Benefit Coverage:

- Unlimited IVF Attempts
- Genetic Testing and Screening: Coverage for PGS, PGT-A, and expanded carrier screening, with no medical necessity requirement for PGT-A
- Cryopreservation and thawing up to 12 months during infertility treatment
- Sourcing of Eggs or Sperm
- Embryo Creation

**Lifetime Maximum:** The lifetime maximum coverage for all fertility services, including prescription medications, is \$100,000.

### Advanced Fertility Options

- Reciprocal IVF Coverage
- AI/IUI and ART Access
