

Johns Hopkins University Whiting School of Engineering

Student Health Insurance Plan 2024-2025

Eligibility

It is the policy of Johns Hopkins University that all full-time students maintain adequate health insurance coverage to provide protection against unexpected accidents and illnesses. Most full-time students are automatically enrolled in the university student-sponsored medical plan and have the option to elect dental and vision coverage. The medical plan premium will be charged to the student's university account, unless proof of comparable health insurance is provided for students eligible to waive. Voluntary enrollment into dental and vision coverage will be paid directly to AHP at the time of enrollment.

Those who are eligible to waive the insurance must do so annually. All International students with an active F1 or J1 Visa status, are ineligible to waive and are required to purchase the university plan.

There are some instances where a student's department covers the cost of health benefits. In these situations, students will see a credit on their SIS bill for medical, dental and/or vision coverage.

What's Offered?

- Medical Coverage through Wellfleet (Cigna PPO)
- Dental Coverage through Delta Dental
- Vision Coverage through EyeMed
- Coverage when traveling

More Information
