The John Marshall Law School 2018-2019 Eligibility Guidelines

All students registered for one (1) or more credit hours are required to purchase this insurance Plan, unless proof of comparable coverage is furnished. Enrollment in a maximum of three (3) credit hours attributed to online/internet classes may count towards meeting this credit requirement.

Eligible Dependents of enrolled students may purchase this plan on a voluntary basis. Eligible Dependents are the student's spouse, civil union partner or Domestic Partner and dependent children under 26 years of age.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes.
