Lone Star College System 2020-2021 Eligibility Guidelines

All Lone Star College (LSC) F-1 visa international students, with a LSC issued I-20, are required to maintain health insurance coverage, and one on campus credit hour per semester, as a condition of enrollment in the LSC Student Health Insurance Plan. Payment for the SHIP must be made directly to Academic HealthPlans and may not be billed to the student's tuition and fee statement. Students may be eligible for an approved waiver by documenting current, comparable employee or U.S. sponsored insurance by the waiver deadline. To process a waiver request, refer to lonestar.myahpcare.com.

All students participating in clinical, practicum, internship or co-operative course work related to technical training, allied health operations, child care, interpreting and cosmetology are eligible to enroll in this plan.

Eligible dependents of those enrolled in the plan may participate in the plan on a voluntary basis through Academic HealthPlans at lonestar.myahpcare.com. There is no automatic re-enrollment. The student must re-enroll their dependent(s) each semester by the semester deadline. To view rates and enrollment information, please go to lonestar.myahpcare.com.
