

VISIT THE **AUBURN UNIVERSITY MEDICAL CENTER/ WARHAWK HEALTH SERVICES** FOR YOUR MEDICAL NEEDS

Services received at the Student Health Center (SHC) are covered at 100% after a \$25 copay. Students must first use the SHC for outpatient treatment and obtain referrals before using other providers and facilities outside of the SHC. A referral will be submitted to Blue Cross and Blue Shield of Alabama electronically by the SHC. Only one referral is required for each injury or sickness per plan coverage period. For members age 18 and over, no benefits will be paid without a referral from the SHC.

Without a referral, medical services received outside of the SHC are not typically covered. The following are the only exceptions:

- ▶ Medical emergency / Accident
- ▶ SHC is closed
- ▶ Medical care received at another facility during break or vacation periods
- ▶ Medical care received at a location more than 50 miles from campus
- ▶ Medical care obtained when student is no longer able to use the SHC due to a change in the student status
- ▶ Maternity, obstetrical and gynecological care
- ▶ All dental care or treatment
