Graduate Assistant Coverage With Care

Eligibility

Michigan State University (MSU) provides health coverage for Graduate Assistants and their eligible dependents through Aetna. As a Graduate Assistant (GA), you are automatically enrolled in the health plan, at no cost to you. MSU pays the premium for your health coverage. Through the health plan, you have access to quality health care through hospitals, physicians and affiliated health care professionals in the Aetna provider network.

Graduate Assistants who are automatically enrolled may submit a waiver with proof of comparable coverage. For more details about the waiver requirements, visit msu.myahpcare.com/waiver.

Graduate Assistants may enroll eligible dependents on a voluntary basis. For more details about enrolling your dependents, please visit: msu.myahpcare.com/enrollment.
