

# Needlestick Coverage

STUDENT HEALTH

**The University of Oklahoma Health Sciences Center students (in Oklahoma City or Tulsa) participating in clinical learning environments are encouraged to have coverage for potential exposures to bloodborne pathogens and needlestick injuries.**

Students who do not have needlestick coverage on their current health plan may purchase this on a stand-alone basis. If you are enrolling in the OUHSC Student Health Plan through Blue Cross and Blue Shield of Oklahoma, this benefit is included and does not have to be purchased separately.
