How can On Call International help?

Contact the Global Response Center if you experience a medical, personal, travel or safety problem or crisis. Your organization has partnered with On Call to provide access to immediate support should you experience any challenges when you are traveling. On Call provides you with a resource experienced in navigating through any crisis and making sure you can continue your trip or get home safely. On Call assists during critical emergencies such as illness or injury that may require an evacuation or during a political or natural disaster event that may threaten your safety. On Call also assists with smaller problems you may not realize you have a resource for. Review a summary of services on the following pages.

If you are, or will be, hospitalized following an accident or illness that occurs while traveling, contact the On Call Global Response Center as soon as possible. In the event the medical facility you are in is not adequate to treat you, On Call will arrange for your medically supervised evacuation to the closest appropriate facility.

If you need an outpatient or physician appointment for an accident or illness, you can contact the On Call Global Response Center to arrange a telehealth or in-person appointment 24/7/365.

In the event of a political or natural disaster event which threatens your safety, contact On Call immediately. You will be connected to a security professional who can provide immediate advice to maintain safety and then assess your situation to determine appropriate next steps.

Helpful Information

- ✓ If you are utilizing a mobile phone and have any issues making an outgoing international call but have internet, [use Live Chat to get direct access to an assistance coordinator](#). You can also email or text the Global Response Center and request a return call.
- ✓ Contact On Call for payment and arrangement of all services that involve transportation arrangements. These services are not reimbursable if you make your own arrangements/self-pay prior to notifying On Call.
- ✓ On Call is not a first responder. If you are in a true emergency and need help getting to a medical facility, dial the country's equivalent to 9-1-1 to get local response.
