

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go to PacificSource.com/studenthealth/. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at Healthcare.gov/sbc-glossary or call 1-888-977-9299 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	Center for Student Health and Counseling (SHAC): \$0 individual/\$0 family Tier Two <u>In-network provider</u> : \$300 individual/\$600 family <u>Out-of-network provider</u> : \$600 individual/\$1,200 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and other services listed below with ' <u>deductible</u> does not apply'.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at Healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Center for Student Health and Counseling (SHAC): \$0 individual/\$0 family Tier Two <u>In-network provider</u> : \$8,700 individual/\$17,400 family <u>Out-of-network provider</u> : \$14,000 individual/\$28,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See providerdirectory.PacificSource.com/Commercial/?nPlan=Navigator or call 1-888-977-9299 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in the Student Health Center. You pay more if you use an <u>in-network provider</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
