Who is eligible?

All students enrolled in the Prescott College on Campus residential degree program (undergraduates) are required to enroll in the Prescott College Student Accident & Sickness Insurance Plan, described in this brochure, unless evidence of comparable coverage can be furnished by submitting an approved online waiver by the waiver deadline each semester. Students who do not waive out of the plan will have the premium for this Insurance Plan included in their college fees and will be liable for payment.

To submit a waiver for approval, please visit Prescott.myahpcare.com.

Students not enrolled in the residential program may contact Academic HealthPlans (AHP) for enrollment information at Prescott.myahpcare.com.

To be an Insured under the Master Policy, the student must have paid the required premium, and his/her name, student number and date of birth must have been included in the declaration made by the School or the Administrative Agent to the Insurer. All students must actively attend classes for the first 45 consecutive days following their effective date for the term purchased, and/or pursuant to their visa requirements for the period for which coverage is purchased, except during school authorized breaks or in case of a medical withdrawal, approved by your school and any applicable regulatory authority. Please contact your school or AHP for details.

Withdrawal From School - If you leave Prescott College for reason of a covered accident or sickness, you will be eligible for continued coverage under this Plan for only the first term immediately following your leave, provided you were enrolled in this Plan for the term previous to your leave. Enrollment must be initiated by the student and is not automatic. All applicable enrollment deadline dates apply. You must pay the applicable insurance premium. Please contact AHP regarding continuation of coverage.

Aetna Life Insurance Company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met.

Eligible students who have a change in status and involuntarily lose coverage under another group insurance plan are also eligible to purchase the Prescott College Student Health Insurance Plan. These students must provide AHP with proof that they have lost insurance through another group (certificate and letter of ineligibility) within 31 days of the qualifying event. The effective date would be the later of the date the student enrolls and pays the premium or the day after prior coverage ends.

Please make sure you understand your school's credit hour and other requirements for enrolling in this plan. Aetna Student Health reserves the right to review, at any time, your eligibility to enroll in this plan. If it is determined that you did not meet the school's eligibility requirements for enrollment, your participation in the plan may be terminated or rescinded in accordance with its terms and applicable law.

Dependent Coverage Eligibility

Dependent enrollment in this plan is voluntary. Eligible Insured Students may also purchase Dependent coverage at the time of student's enrollment in the plan; or within 31 days of one of the following qualified events: marriage, birth, adoption or arrival in the U.S. Eligible dependents are the spouse/domestic partner (same or opposite sex) who resides with the Insured Student and children under 26 years of age. Dependents of an Eligible International student or visiting faculty member must possess a valid passport and a proper visa (F-2, J-2, or M-2). A "Newborn" will automatically be covered for Injury or Sickness from birth until 31 days old, providing that the student is covered under this plan. Coverage may be continued for that child when Aetna Life Insurance Company is notified in writing within 31 days from the date of birth and by payment of any additional premium. Dependents must be enrolled for the same term of coverage for which the Insured Student enrolls. Dependent coverage expires concurrently with that of the Insured Student. In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some covered services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. [When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there is a \$500 penalty for each type of covered service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to [www. https://www.aetnastudenthealth.com](https://www.aetnastudenthealth.com).

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. You, your physician or the facility must call us within these timelines:

Non-emergency admissions	Call at least 14 days before the date you are scheduled to be admitted.
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted.
Urgent admission	Call before you are scheduled to be admitted.
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 30 days as long as you remain enrolled in the plan.

If you require an extension to the services that have been precertified, you, your physician, or the facility will need to call us at the number on your ID card as soon as reasonably possible, but no later than the final authorized day.

If precertification determines that the stay or outpatient services and supplies are not covered benefits, the notification will explain why and how you can appeal our decision. You or your provider may request a review of the precertification decision. See the When you disagree - claim decisions and appeals procedures section of Certificate of Coverage.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.
