## Rosalind Franklin University 2020-2021 Eligibility Guidelines

All full-time registered RFU students are automatically enrolled in this Student Health Insurance Plan at registration, unless proof of comparable coverage is furnished. Students enrolled in the Student Health Insurance plan may also cover their eligible Dependents.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium.

Eligible students who enroll may also insure their Dependents. Dependent enrollment must take place at the initial time of student enrollment (or within 30 days if tuition billed); exceptions to this rule are made for newborn or adopted children, or for Dependents who become eligible for coverage as the result of a qualifying event.
