## Rush University 2018-2019 Eligibility Guidelines

Rush University Policy requires all students to have quality health insurance.

Students in Rush College of Medicine are automatically enrolled in the Student Health Insurance Plan. Rush College of Medicine students who wish to add Dependents will need to contact the Office of Financial Affairs; call [312-942-6849](tel:312-942-6849) or send an email to [financial\\_affairs@rush.edu](mailto:financial_affairs@rush.edu).

Enrollment in the plan for all College of Health Sciences, College of Nursing and Graduate College students is required unless the student provides proof of coverage under a comparable plan. Students in these three colleges may enroll online at [rush.myahpcare.com](http://rush.myahpcare.com). The Premium will be charged to your tuition bill. If you have comparable coverage through another Insurance Carrier, you can show proof of comparable coverage and attach a copy of your health insurance ID card online at [rush.myahpcare.com](http://rush.myahpcare.com).

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave.
