

Student Health Insurance Plan for Rush University

2024 – 2025

Welcome to AcademicBlue, your Student Health Insurance Plan offered by Blue Cross and Blue Shield of Illinois (BCBSIL).

Enrollment and eligibility information

Rush University Policy requires all students to have quality health insurance.

Enrollment in the plan for all College of Health Sciences, College of Nursing, Medical College, and Division of Translational Science students is required unless the student provides proof of coverage under an alternate plan. Students in these four colleges may enroll online.

The set premium will be charged to your tuition bill. If you have alternate coverage through another insurance carrier, you can show proof of alternate coverage and attach a copy of your health insurance ID card online at rush.myahpcare.com.

Once enrolled in the Student Health Insurance Plan, coverage will be in effect until the student graduates or provides proof of other alternate coverage. Also, please note that no pro-rata refunds will be given once enrolled in the program.

Please note that dependents must be enrolled at the time the student enrolls and their coverage will coincide with that of the student. Dependent coverage will automatically be advanced from one coverage period to the next (the same as the student) until we are advised by the school to remove the dependent coverage or until the student is no longer covered under the plan. Dependents cannot purchase coverage unless the student has purchased coverage.

Please refer to the plan's medical policy to review all eligibility criteria. The medical policy and additional information can be found at rush.myahpcare.com.
