Rush University 2020-2021 Eligibility Guidelines

Rush University Policy requires all students to have quality health insurance.

Students in Rush College of Medicine are automatically enrolled in the Student Health Insurance Plan. Rush College of Medicine students who wish to add Dependents will need to contact the Office of Financial Affairs; call [312-942-6849](tel:312-942-6849) or send an email to financial_affairs@rush.edu.

Enrollment in the plan for all College of Health Sciences, College of Nursing and Graduate College students is required unless the student provides proof of coverage under a comparable plan. Students in these three colleges may enroll online at rush.myahpcare.com. The Premium will be charged to your tuition bill. If you have comparable coverage through another Insurance Carrier, you can show proof of comparable coverage and attach a copy of your health insurance ID card online at rush.myahpcare.com.

Students must attend classes for 31 days and must meet the Institution's requirements for maintaining their status as an eligible Student. Students must maintain their Institution's eligibility in order to maintain coverage under this policy.
