School of the Art Institute of Chicago 2019-2020 Eligibility Guidelines

SAIC requires health insurance coverage for all domestic undergraduate, graduate, exchange and certificate students enrolled full-time, and all international students.

Unless full-time undergraduate, domestic, graduate, exchange and certificate students, and international students submit a waiver online through saic.myahpcare.com, they will automatically be enrolled in SAIC's Student Health Insurance Plans. The premium will be charged per semester, to each student's account.

If a student has comparable coverage and wishes to waive SAIC's Student Health Insurance Plan for the entire academic year, a waiver must be completed online by visiting saic.myahpcare.com by the first day of fall classes. Spring-only waivers are due by the first day of spring classes. Summer waivers are required only of new students who begin their degree plan in the summer.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless they withdraw from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium.

Eligible students who enroll may also insure their Dependents. Dependent enrollment must take place at the time of student enrollment.
