| Important Questions  | Answers   | Why this Matters:   |
|--|---|---|
| <b>What is the overall deductible?</b>                             | In-Network <b>\$500</b> person/ <b>\$1,000</b> family.<br>Out-of-Network <b>\$3,000</b> person/ <b>\$6,000</b> family.  | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| <b>Are there services covered before you meet your deductible?</b> | Yes. <u>Preventive care</u> services, some <u>prescription drugs</u> , Routine Vision, and Routine Dental services are covered before you meet your deductible.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| <b>Are there other deductibles for specific services?</b>          | Yes. Prescription Drug: \$100 <u>deductible</u> at In-Network and Out-of-Network pharmacies only. The <u>Prescription Drug deductible</u> does not apply to prescriptions filled at the <u>onsite</u> pharmacies. | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| <b>What is the out-of-pocket limit for this plan?</b>              | In-Network <b>\$9,200</b> person/ <b>\$15,000</b> family.<br>Out-of-Network <b>\$15,000</b> person/ <b>\$30,000</b> family.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Premiums</u> , <u>balance-billing</u> charges, chiropractic services, <u>out-of-network copayments</u> , and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See <a href="http://www.SouthCarolinaBlues.com">www.SouthCarolinaBlues.com</a> or call 1-800-810-BLUE (2583) for a list of <u>network providers</u> .  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
