Sam Houston State University 2019-2020 Eligibility Guidelines

All registered domestic students taking six (6) or more credit hours (three (3) or more during summer sessions) are eligible to participate in the plan. Distance Learning students taking nine (9) or more credit hours and paying the Student Health Services fee are eligible to enroll in the plan.

All registered international students taking one (1) or more credit hours are required to participate in the plan. International students are automatically enrolled, and the premium will be added to their tuition bill. All international students with U.S. based employer and embassy plans are eligible to waive the plan as determined by the SHSU Student Health Services.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study and correspondence courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
