Please note: The new insurance carrier for the 2019-2020 school year is National Guardian Life Insurance Company.

Eligibility

All international students who are enrolled in one (1) or more credit hours are required to maintain the Student Health Insurance Plan as a condition of enrollment. International students must enroll in the Student Health Insurance Plan unless they have a special waiver personally granted by the Student Health Center (SHC) staff. To view the requirements necessary to apply for a waiver or to print a waiver form, please go to smu.edu/healthinsurance.

After enrolling for classes each semester, international students must elect coverage online by going to the student center component of MY.SMU.EDU and selecting the "Health Insurance" button. The semi-annual premium will be charged to the student's SMU student account after they enroll in MY.SMU.EDU. Any student not enrolled by the deadline will automatically be enrolled and the premium charged to their SMU student account. No changes will be made to a student's SMU account after August 7, for Fall 2019 or December 7, for Spring 2020. For more detailed information, including a "Frequently Asked Questions" page, please visit smu.edu/healthinsurance.

Eligible dependents of those enrolled in the plan may participate in the plan on a voluntary basis.

Please view the complete brochure on-line at smu.myahpcare.com for full details of participation in the plan.
