

### Eligibility

All domestic students taking nine (9) or more credit hours are required to maintain health insurance as a condition of enrollment. A domestic student may waive out of the policy by documenting current, comparable U.S. insurance coverage in the Student Center component of [MY.SMU.EDU](https://my.smu.edu) before the deadline. Domestic students not waiving are required to enroll in the Student Health Insurance Plan. Students only have to enroll or waive one time per school year. To complete the waiver or elect coverage, go to the Student Center component of [MY.SMU.EDU](https://my.smu.edu). If you choose not to elect coverage, or do not waive coverage, by the waiver deadline, the premium will be charged to your SMU student account. No changes will be made to a student's SMU account after September 7, 2023 for Fall 2023. For more detailed information, please visit [smu.edu/healthinsurance](https://smu.edu/healthinsurance).

All domestic students taking between four (4) and eight (8) credit hours are eligible to enroll on a voluntary basis during the open enrollment period each semester and have their premiums billed to their SMU Student Accounts. Students taking eight (8) hours or less will not be automatically enrolled.

Eligible dependents of those enrolled in the plan may participate in the plan on a voluntary basis.
