St. Mary's University 2019-20 Eligibility Guidelines

All registered students residing on campus and all intercollegiate athletes will be automatically enrolled in the Student Health Insurance Plan at registration and premium will be added to your tuition bill unless proof of comparable coverage is provided.

All other registered undergraduate, graduate and doctoral students taking six (6) or more credit hours are eligible to participate in the Plan and may enroll online at stmarytx.myahpcare.com or request to add premium to their tuition bill by the 12th class day. Graduate students completing thesis or dissertation and enrolled in their last semester are eligible to participate in the Plan. All registered "F", "J", and "H" International students, including "J" and "F" visa Intensive English Program (IEP) students, will be automatically enrolled in the Student Health Insurance Plan.

International students may submit an online waiver to remove the health insurance premium from their business accounts by the deadline. There are strict requirements that must be met before a waiver is granted, including demonstration of medical evacuation and repatriation benefits. AHP reserves the right to deny waiver requests.

Deadline for online waiver requests at stmarytx.myahpcare.com/waiver is the 12th class day of the semester the student is entering. Please visit Gateway for more information.

You must actively attend classes for at least the first 31 days after the date your coverage becomes effective. You cannot meet this eligibility requirement if you take courses through:

- Home study
- Correspondence
- The internet
- Television (TV)

If we find out that you do not meet this eligibility requirement, we are only required to refund any premium contribution minus any claims that we have paid.
