

Students presently enrolled in St. Edward's University (St. Edward's) Student Health Insurance Plan are eligible for Continuation of Coverage underwritten by UnitedHealthcare. Continuation of Coverage is only available to Insured Students and covered dependents who have graduated or are no longer eligible for coverage under the St. Edward's Student Health Insurance Plan. Covered students must have been insured for at least **three (3)** continuous months before coverage terminated under the Prior and/or Current Plan.

Continuation of Coverage is in effect from the date coverage under St. Edward's Student Health Insurance Plan expires, if the completed enrollment form and applicable premium are received prior to the Covered Person's termination date, and continues until the end of the period for which premium is paid.

The premium must be received prior to the existing coverage under the St. Edward's Student Health Insurance Plan terminates. In no event will the Covered Person be eligible for Continuation of Coverage if premium is received after the termination date of the Policy. The period of coverage must be specified on the next page and the total premium must be paid at the time of enrollment. There is no renewable option and no refunds are available after you have selected the coverage.
