St. Edward's University 2018-2019 Eligibility Guidelines

All registered students taking (6) six or more credit hours are required to enroll in this insurance plan, unless proof of comparable coverage is furnished. Students finishing up degree requirements through internships, practicum's research, etc., taking three (3) or more credit hours and were previously enrolled in the Plan the prior 12 months are eligible to enroll in this insurance plan.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
