

Student health goes mobile

Get our new StudentHealth app to access your plan ID card and benefits on the go.

With the StudentHealth app through Anthem Student Advantage, you have instant access to your benefits, ID card, and much more using your mobile device.

Take just a few minutes to register to be able to use all your tools and resources, including:

- Your member ID card
- Find a Doctor
- More information about your plan benefits
- Health tips that are tailored to you
- LiveHealth Online and 24/7 Nurseline
- Student support specialists; just click to call or chat

Download the StudentHealth app today!

From your mobile device or tablet go to:

The App StoreSM or Google PlayTM and search for the **StudentHealth app**. Tap **Register Now** and:

1. Enter your first name, last name, your student ID number and your date of birth (mm/dd/yyyy).
2. On the Credentials screen, select the username offered, or create one (usually firstname.lastname). Then create a password (at least six characters, with at least one letter and one number).
3. That's all. You're ready to log in and use the app whenever you want!
