THE UNIVERSITY *of* NORTH TEXAS  
HEALTH SCIENCE CENTER *at* FORT WORTH

## Student Insurance Plan

---

The rising costs of medical care have made the UNT System increasingly aware of the importance of adequate insurance to provide care when Injuries and Sicknesses require treatment.

The UnitedHealthcare Insurance Company Plan is specifically designed for the University of North Texas students. The Policy covers students who require hospitalization treatment for Injuries or Sicknesses.

## Who is eligible to enroll?

---

All degree seeking domestic students enrolled in the Texas College of Osteopathic Medicine, School of Health Professions (excluding MS Lifestyle Health Sciences), Doctor of Pharmacy program, and School of Biomedical Sciences-MS Medical Science (online only) taking credit hours at the University of North Texas Health Science Center at Fort Worth are eligible and required to purchase this plan on a hard waiver basis. All degree seeking domestic graduate students enrolled in 3 or more credit hours in the School of Biomedical Sciences and the School of Public Health, who are not part of a program that mandates coverage, are eligible to enroll in this insurance plan on a voluntary basis provided no more than 50% of the total credit hours taken are delivered in an internet/online instruction format.

If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:
