

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go to PacificSource.com/studenthealth/. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at Healthcare.gov/sbc-glossary or call 1-888-977-9299 to request a copy.

Important Questions	Answers	Why this Matters:
<u>What is the overall deductible?</u>	Student Health and Wellness Center: \$0 individual Tier Two <u>In-network provider</u> : \$300 individual Out-of-network provider: \$600 individual	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
<u>Are there services covered before you meet your deductible?</u>	Yes. <u>Preventive care</u> and other services listed below with 'deductible does not apply'.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at Healthcare.gov/coverage/preventive-care-benefits/ .
<u>Are there other deductibles for specific services?</u>	No.	You don't have to meet <u>deductibles</u> for specific services.
<u>What is the out-of-pocket limit for this plan?</u>	Student Health and Wellness Center: \$0 individual Tier Two <u>In-network provider</u> : \$6,000 individual Out-of-network provider: \$12,000 individual	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
<u>What is not included in the out-of-pocket limit?</u>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a network provider?</u>	Yes. See providerdirectory.PacificSource.com/Commercial/?nPlan=Navigator or call 1-888-977-9299 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in the Student Health Center. You pay more if you use an <u>in-network provider</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a referral to see a specialist?</u>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
