

Additional Advantages of Membership

In addition to the medical, there are four additional advantages of membership to benefit students with value-added products and services. These additional advantages include Academic Emergency Services, the Student Assistance Program, Dental and Vision.

Academic Emergency Services

Academic Emergency Services (AES) offers a wide range of services and benefits to provide everything you need, whether you are on campus or traveling 100 miles from home.

Student Assistance Program

The Student Assistance Program provides a 24/7 Care Center accessible via phone, video, private chat, text, or email.

Life and Wellbeing Resources include:

- Unlimited Counseling
- Support for stress
- And much more!

Dental

The Texas A&M University System offers a Student Dental PPO Plan with affordable deductibles and premiums through Delta Dental.

Vision

This is offered as an add-on to the Student Health Insurance Plan.

- Enroll in vision coverage at any time
- VSP is the provider
- Dependent coverage is available
- There are two plan options, Base & EasyOptions
- Annual or monthly payment options

Academic Emergency Services and the Student Assistance Program are services provided by a separate and independent company from BlueCross Blue Shield of Texas or Academic HealthPlans.
