Any Enrolled Texas A&M University System student taking at least six (6) credit hours of classes is eligible to enroll in this insurance plan. Students who are enrolled in special classes and take less than six (6) credit/contact hours of classwork will be determined eligible for this Student Health Insurance Plan if the reduced coursework meets the criteria for the completion of a degree plan or international program as defined and approved by The Texas A&M University System.

International Students on an J1 or F1 visa ARE REQUIRED to maintain approved health insurance coverage continuously while enrolled and attending a Texas A&M System institution. J1 and F1 students will be bursar billed and automatically enrolled in the Student Health Insurance Plan through Academic HealthPlans, unless the student provides proof of coverage that meets the Texas A&M University System waiver requirements. (See the TAMUS Policy #26.99.01).

All registered and enrolled Texas A&M University System Graduate Students employed by The System are eligible to enroll in this insurance plan (no minimum hour requirement).

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased, unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium.

Eligible students who enroll may also insure their Dependents. Dependent enrollment must take place at the initial time of student enrollment (or within 30 days, if the premium is billed on the student's tuition).
