

TTU System 2018-2019

Student Health Insurance Plan Communication Letter

Aetna was chosen by the Texas Tech University System Committee as the insurance provider for the 2018-2019 school year. This was a decision based on the benefit needs of students, provider access and affordable costs. There are additional benefits that students (and their dependents) did not have with the previous insurance plan. Click [here](#) to view those new benefits.

Questions? Please contact the dedicated AHP team at support@ahpcare.com or 1-855-357-0241. Already an Aetna member but still have questions? Call 1-877-480-4161
