Texas Tech University Student Health Insurance Plan

Dear Student:

Under the Affordable Care Act, all health insurers and group health plans are required to provide consumers with a Summary of Benefits and Coverage (SBC). The SBC is a summary of the benefits and health coverage offered by a particular plan.

Attached is the SBC for the Texas Tech University Student Health Plan covering plans purchased between 7/01/25 - 08/31/26. In accordance with your College/University, coverage may be purchased for varying periods of time. The coverage periods for Texas Tech University are listed below:

Coverage Period	Date
TTU Domestic	08/01/2025 – 07/31/2026
TTU International	08/01/2025 – 07/31/2026
HSC	08/01/2025 – 08/31/2026
Angelo State	08/15/2025 – 08/14/2026
El Paso	07/01/2025 – 08/31/2026

If you have any questions regarding your coverage or the length of time you purchased, please contact customer service at 855-267-0214.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-267-0214 or at <https://ttusystem.myahpcare.com> For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In-Network: \$500 Individual / \$1,500 Family Out-of-Network: \$1,000 Individual / \$3,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Services that charge a <u>copayment</u> , <u>prescription drugs</u> , emergency room services, <u>diagnostic test</u> , and certain <u>preventive care</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	In-Network: \$7,900 Individual / \$15,800 Family Out-of-Network: \$15,800 Individual / \$31,600 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.bcbstx.com or call 1-800-810-2583 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
