Trinity University 2020-2021 Eligibility Guidelines

All registered students taking (9) or more credit hours and graduate students enrolled in full-time graduate studies are automatically enrolled in this insurance plan at registration, unless comparable coverage is furnished.

Eligible students who do enroll may also ensure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met.
