

# Why wait for the care you need now?

Did you know there's a convenient and affordable healthcare alternative when the Student Health Center is closed or you're away from campus? With Teladoc®, you can be connected with a licensed physician in minutes, not hours like it might take at the ER or an urgent care clinic. And, you can get care from wherever you are: on or off campus.

### THE NEXT TIME YOU'RE SICK, CONSIDER YOUR OPTIONS:
