

Telemedicine – Docfind

How to find doctors who provide Telemedicine services in Docfind.

The screenshot shows the Aetna website's 'Directory of Health Care Professionals' page. At the top, the Aetna logo is displayed. Below it, the page title 'Directory of Health Care Professionals' is shown in a purple header. A breadcrumb trail reads 'Member/Guest Home > Select a plan'. The main content area prompts the user to 'Select a Plan to find providers in 02155 (Medford, MA)' with a 'Change location' link. It offers a 'Continue' button and explains why choosing a plan is important, listing three points: 'Pay less', 'Find the highest level of coverage', and 'Confirm doctors are accepting the plan'. A 'Select a Plan' modal is open, showing a search bar and a list of plans. The 'Open Choice PPO' option under 'Student Health Medical Plans' is highlighted with a red box and a circled '1'. A red callout box with the number '1' points to this option, with the text 'Choose medical Plan' below it. A 'Feedback' button is visible on the right side of the modal.

The screenshot shows the 'Find what you need by category' section of the Aetna website. A search bar at the top contains the text 'Eg: John Wright, Primary Care Physician, Dermatologists, Periodontists'. Below the search bar, there is an 'OR' button. The main content area is a grid of 15 category cards, each with an icon, a title, and a brief description. A red callout box with the number '2' and the text 'Choose Category' points to the 'Medical Doctors & Specialists' card. Another red callout box with the text 'For this example, lets choose the "Medical Doctors & Specialists" category' is positioned below the first callout. The categories include: Medical Doctors & Specialists, Hospitals & Facilities, Urgent Care, Walk-In Clinics, Pharmacy, Behavioral Health, Dental Care, Vision, Labs & Testing, Alternative Medicine, Durable Medical Equipment (DME), Common Procedures & Conditions, and Institutes of Quality/Institutes of Excellence.
