PLEASE REVIEW IT CAREFULLY

Effective: August 01, 2019

This Notice of Privacy Practices (“ Notice”) applies to **Wellfleet Insurance Company** and **Wellfleet New York Insurance Company**’s (together, “ we”, “ us” or “ our”) insured health benefits plans. We are required to provide you with this Notice.

Personal Information is information that identifies you as an individual, such as your name and Social Security Number, as well as financial, health and other information about you that is nonpublic, and that we obtain so we can provide you with insurance coverage.

Protected Health Information (your “Health Information”) is information that identifies you as related to your physical or mental health, your health care, or payment for your healthcare.

Our Responsibilities

We are required by law to maintain the privacy of the Health Information we hold and to provide you with this Notice and to follow the duties and privacy practices described in this Notice. We are required to abide by the terms of this Notice currently in effect.

We utilize administrative, technical, and physical safeguards to protect your information against unauthorized access and against threats and hazards to its security and integrity. We comply with all applicable state and federal rules pertaining to the security and confidentiality of your information.

We will promptly inform you if a breach has occurred that may have compromised the privacy or security of your Health Information.

Overview of this Notice

This Notice describes how certain information about you may be used and disclosed and how you can get access to this information. This Notice addresses three primary areas:

- An overview of Your Health Information. This section addresses how we collect your information, how we use it to run our business, and the reasons we share it.
- Your Rights. This section gives an overview of the rights you have with respect to your information we have in our records.
- How to Contact Us. In case you have any questions, requests, or even if you feel you need to make a complaint, we want to make sure you are in contact with the right person.

YOUR HEALTH INFORMATION

How We Acquire Your Information

In order to provide you with insurance coverage, we need Personal Information about you. We gather this information from a variety of sources including your employer, your health care provider, your school, other insurers, and third party administrators (TPAs). This information is necessary to properly administer your health plan benefits.

How We use Your Health Information

Below are some examples of how we use and disclose your Health Information. Broadly, we will use and disclose your Health Information for Treatment, Payment and Health Care Operations.

Treatment refers to the health care treatment you receive. We do not provide treatment, but we may disclose certain information to doctors, dentists, pharmacies, hospitals, and other health care providers who will take care of you. For example, a doctor may send us information about your diagnosis and treatment so we can develop a health care plan and arrange additional services.

Payment refers to activities involving the collection of premiums, payment of claims, and determining covered services. For example, we may review your Health Information to determine if a particular treatment is medically necessary and what that payment for the services should be.

Health Care Operations refers to the business functions necessary for us to operate, such as audits, complaints responses and quality assurance activities. For example, we would use your Health Information (but not genetic information) for underwriting and calculating rates, or we may use your Health Information to detect and investigate fraud.

Additionally:

- We may **confirm enrollment** in the health plan with the appropriate party.
- If you are a **dependent** of someone on the plan, we may disclose certain information to the plan's subscriber, such as an explanation of benefits for a service you may have received.
- We may share enrollment information, payment information, or other Health Information in order to coordinate treatment or other services you may need.

We may disclose your information when instructed to do so, including:

- **Health oversight activities** may require that we disclose your information to governmental, licensing, auditing and accrediting agencies;
- **Legal proceedings** may require disclosure of your Health Information in response to a court order or administrative order, or in response to a subpoena, discovery request, warrant, summons, or other valid process;
- **Law enforcement activities** might require disclosure of certain Health Information to local, state or federal law enforcement, so long as the release is authorized or required by law;
- **As required by law** or to avert a serious threat to safety or health; and,
- To **certain government agencies**, such as the Department of health and Human Services or the Office of Civil Rights if they are conducting an investigation or audit.

Authorizations

Occasionally we may receive a request to share your information in a manner outside of how we normally use your Health Information, as described above. In those cases, we will ask you for your authorization before we share your Health Information.

YOUR RIGHTS

You have the **right to request restrictions** on certain uses and disclosures of your Health Information, including the uses and disclosures listed in this Notice and disclosures permitted by law. You also have the **right to request that we communicate with you in certain ways**.

- We will accommodate reasonable requests;
- We are not required to agree to a request to restrict a disclosure unless you have paid for the cost of the health care item or service in full (i.e., the entire sum for the procedure performed) and disclosure is not otherwise required by law; and,
- If you are a minor, depending on the state you reside in, you may have the right in certain circumstances to block parental access to your Health Information. For example, a minor may have the rights of an adult with respect to diagnosis and care of conditions such as STDs, drug dependency, and pregnancy.

You have the **right to inspect and copy your Health Information** in our records. Please note that there are exceptions to this, such as:

- Psychotherapy notes;
- Information compiled in reasonable anticipation, or for use in, a civil, criminal or administrative action or proceeding;
- Health Information that is subject to a law prohibiting access to that information; or,
- If the Health Information was obtained from someone other than us under a promise of confidentiality and the access request would be reasonably likely to reveal the source of the information.

We may deny your request to inspect and copy your Health Information if:

- A licensed health care professional has determined your requested access is reasonably likely to endanger your life or physical safety of another;
- The Health Information makes reference to another person and a licensed health care professional has determined that access requested is reasonably likely to cause substantial harm to another; or,
- A licensed health care professional has determined that access requested by your personal representative is likely to cause substantial harm to you or another person.

You have the **right to request an amendment** to your Health Information if you believe the information we have on file is incomplete or inaccurate. Your request must be in writing and must include the reason for the request. If we deny your request, you may file a written statement of disagreement.

You have the right to know who we have provided your information to - - this is known as an **accounting of disclosures**. A request for an accounting of disclosures must be submitted in writing to the address below. The accounting will not include disclosures made for treatment, payment, health care operations, for law enforcement purposes, or as otherwise permitted or required by law. If you request

an accounting of disclosures more than once in a twelve (12) month period we may charge a reasonable fee to process, compile and deliver the information to you this second time.

You have a **right to receive a paper copy of this Notice**. Simply call the customer service line indicated on your ID card and request a paper copy be mailed to you. You may also submit a written request to us at the address below.

You will receive a notice of a breach of your Health Information. You have the **right to be notified of a breach** of unsecure Health Information.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:

Texas Life and Health Insurance Guaranty Association
1717 West 6th Street, Suite 230
Austin, TX 78703-4776
1-800-982-6362 or www.txlifega.org

For questions about insurance, contact:

Texas Department of Insurance
P.O. Box 12030
Austin, TX 78711
1-800-252-3439 or www.tdi.texas.gov

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:

Texas Life and Health Insurance Guaranty Association
1717 West 6th Street, Suite 230

For questions about insurance, contact:

Texas Department of Insurance
P.O. Box 12030
Austin, TX 78711
1-800-252-3439 or www.tdi.texas.gov

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

Have a complaint or need help?

If you have a problem with a claim or your premium, call your insurance company or HMO first. If you can't work out the issue, the Texas Department of Insurance may be able to help.

Even if you file a complaint with the Texas Department of Insurance, you should also file a complaint or appeal through your insurance company or HMO. If you don't, you may lose your right to appeal.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:

Texas Life and Health Insurance Guaranty Association
1717 West 6th Street, Suite 230
Austin, TX 78703-4776
1-800-982-6362 or www.txlifega.org

For questions about insurance, contact:

Texas Department of Insurance
P.O. Box 12030
Austin, TX 78711
1-800-252-3439 or www.tdi.texas.gov

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.
