

Trinity University

The new insurance carrier for 2022-2023 is Wellfleet.

AM I ELIGIBLE?

All registered students, taking (9) nine or more credit hours and graduate students enrolled in full-time graduate studies are automatically enrolled in this insurance Plan unless proof of comparable coverage is furnished.

To comply with the mandatory health insurance requirement all students will be billed for annual coverage of the Student Health Plan in July 2022.

A completed and approved online waiver form allows you to decline coverage and have the charge removed from your student billing account.

If the waiver is not completed by the deadline, you will be enrolled in the student health plan and the corresponding charge cannot be cancelled.

Please view the complete brochure on-line at trinity.myahpcare.com for full details of participation in the plan.

CAN I WAIVE/CAN I OPT-OUT?

If you have other personal health insurance and don't want the student health plan you must submit an online insurance waiver annually.

The waiver is available beginning in July through the end of add/drop, approximately 1 week after classes begin. A completed waiver allows you to decline coverage and have the charge removed. Instructions will accompany your university bill. During the waiver period the waiver will be available online at trinity.myahpcare.com.
