

Tuition Secure

Tuition and Program Fee Protection Plan

Description of Benefits

Tuition Secure is an additional benefit bundled with your student health insurance plan. Tuition Secure benefits cover the actual amount of non-refundable Program Fees lost due to your Complete Withdrawal from the school's academic program due to medical reasons. Program Fees include tuition, unused room and board, and other academic fees included in your school's program.

Tuition Secure provides benefits for Medically Necessary Withdrawal due to:

- A medical condition resulting from a covered Injury or Sickness
- Mental Illness
- Substance Abuse
- Death

Tuition Secure pays a benefit for Off-Campus Housing Expenses that become due after a Medically Necessary Withdrawal.

Tuition Secure benefits are reduced by the amount of any refund payable by your school for Program Fees, and only if/when you complete the necessary notice requirements of the school. Tuition Secure benefits provide valuable protection from the potential loss of your first significant financial investment. By offering this program, your school demonstrates its commitment to your well-being.
