Student Health Center (SHC):

Services rendered at the SHC are covered at 100% (no copayment or deductible). Students must first use the SHC for outpatient treatment and obtain referrals before using other providers and facilities outside of the SHC. A referral issued by the SHC must be electronically submitted. Only one referral is required for each injury or sickness per plan coverage period. Dependents (Spouse/Children) are not eligible for services at the SHC.

Without a referral, medical care received outside of the SHC is not typically covered. The following are the only exceptions:

- Medical emergency/accident
- SHC is closed
- Medical care rendered during break or vacation periods
- Medical care rendered at a location that is more than 30 miles from campus
- Medical care rendered when student is no longer eligible for coverage
- Maternity, obstetrical and gynecological care
- Mental health and substance use disorder treatment
- All dental care or treatment
