Academic HealthPlans, Inc. (AHP), a Risk Strategies Company is an independent company that provides program management and administrative services for the student health plans of Blue Cross and Blue Shield of Alabama.

Student Health Center (SHC):

Services rendered at the SHC are covered at 100% (no copayment or deductible). Students must first use the SHC for outpatient treatment and obtain referrals before using other providers and facilities outside of the SHC. A referral issued by the SHC must be electronically submitted. Only one referral is required for each injury or sickness per plan coverage period. Dependents (Spouse/Children) are not eligible for services at the SHC.

- Medical emergency/accident
- SHC is closed

- Medical care rendered at a location that is more than 30 miles from campus
- Medical care rendered when student is no longer eligible for coverage
- Maternity, obstetrical and gynecological care
