## HEALTH PLAN FOR DAVIDSON COLLEGE STUDENTS | 2024-2025

# StudentBlue™

## A HEALTHY PLAN

for a successful future

Davidson College has selected Student Blue to provide you with quality health insurance coverage from Blue Cross and Blue Shield of North Carolina (Blue Cross NC). With Student Blue, you have low out-of-pocket costs and worldwide coverage.<sup>1</sup>

All eligible students enrolled at Davidson College are required to have health insurance coverage. Davidson College endorses a cost-effective Student Health Insurance Plan (SHIP) that covers additional health care expenses not included in the Student Health Fee. This plan is administered by Blue Cross NC.

- **All full-time students** enrolled at Davidson College are automatically enrolled in this SHIP and the cost will be included on the Fall tuition bill.
- **Domestic students** may waive coverage by providing proof of comparable coverage. Students must complete an online waiver at [davidson.myahpcare.com](http://davidson.myahpcare.com) in order to opt out of the plan. Waivers must be submitted by July 25, 2024, for the Fall and December 1, 2024, for the Spring.
- **International students** are not allowed to waive coverage unless they have coverage in the United States.
- **Dependent coverage is not available.**
- **Student Health Center Benefits:** The deductible will be waived and the benefits will be paid at 100% of covered medical expenses incurred, based on the approved fee schedule when treatment is rendered at the Student Health Center.

The following are summaries of some of the coverage restrictions. A full explanation and listing of restrictions can be found in your benefit booklet. Your health benefit plan does not cover services, supplies, drugs or charges that are:

- Not medically necessary
- For injury or illness resulting from an act of war
- For personal hygiene and convenience items
- For inpatient admissions that are primarily for diagnostic studies
- For palliative or cosmetic foot care
- For investigative or experimental purposes
- For cosmetic services or cosmetic surgery except as specifically covered by your health benefit plan
- For custodial care, domiciliary care or rest cures
- For treatment of obesity, except for surgical treatment of morbid obesity, or as specifically covered by your health benefit plan
- For reversal of sterilization
- For treatment of sexual dysfunction not related to organic disease
- For conception by artificial means
- For self-injectable drugs in the provider's office

Deductibles, coinsurance, limitations and exclusions apply to this coverage. Further details of coverage, limitations and exclusions, and terms under which the policy can be continued in force will be provided in your benefit booklet.

Blue Cross NC offers several decision support tools to aid you in making decisions around your health care experience. These tools are offered for your convenience and should be used only as reference tools. You should consult your own legal counsel, tax advisor or personal physician as applicable throughout your health care experience.

Your actual expenses for covered services may exceed the stated coinsurance percentage or copayment amount because actual provider charges may not be used to determine the payment obligations for Blue Cross NC and its members.

\*Pediatric dental and vision are only available for members up through the end of the month they become age 19\*

1 Covered in nearly 200 countries and territories worldwide through the GeoBlue® program. Blue Cross and Blue Shield Association Internal Data: about.geo-blue.com/ (Accessed July 2022).

2 Colorectal screening, bone mass measurement, newborn hearing screening, prostate-specific antigen tests (PSAs), gynecological exams, cervical cancer screening, ovarian cancer screening and screening mammograms are state-mandated and also covered out-of-network.
