The University of the Arts 2018-2019 Eligibility Guidelines

All registered undergraduate students and graduate students taking six (6) or more credit hours are required to participate in the Student Health Insurance Plan unless a waiver form is completed online at <http://myuarts.uarts.edu/ahpins> by August 1, 2018 for Fall and January 1, 2019 for Spring.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence and television courses do not fulfill the eligibility requirements that the students actively attend classes. The Company maintains the right to investigate student status and attendance records to verify that the eligibility requirements have not been met, its only obligation is to refund premium.
