The University of the Arts 2020-2021 Eligibility Guidelines

All registered undergraduate students and graduate students taking six (6) or more credit hours are required to participate in the Student Health Insurance Plan unless a waiver form is completed online at <https://myuarts.edu/ahpins>.

If the Company finds out that you do not meet these eligibility requirements, it is only required to refund any premium contribution minus any claims it has paid.

Voluntary students are not eligible for the plan.
