

STEP 1

Click on Find a Provider

## STEP 2

### Click on Search the network for your healthcare provider

**Options PPO Health Plan**

With the **Options PPO Health Plan**, you can use any doctor, clinic, hospital or health care facility in our national network.

Seeing an out-of-network provider will likely cost you more.

**Dental PPO Plan**

A dental plan helps you pay for copays, cleanings and other services to keep your teeth and gums healthy. It's important because a healthy mouth is important for your overall health, too.

With the **Dental PPO Plan**, you can see a dentist you want, anywhere in the country. When you choose a dentist that is part of the plan's large national network, you may receive discounted rates to members.

Please check with your policy to see if this dental plan is being offered.
