

Protect your teeth and your overall health

Finding an affordable dental plan is not always easy. Now, through Anthem Student Advantage you can access high-quality dental care at a cost designed with budget in mind. Regular dental care is important as checkups can detect early warning signs of serious health problems, when they are easier to treat. That means taking care of your teeth can help protect your overall health.

Who is eligible?

Enrollment is voluntary to all University of Nevada, Reno, registered International and Medical students taking 1 or more credits; and all graduate students taking 6 or more graduate credit hours. Covered students may also enroll their dependents.

To enroll, please visit unr.myahpcare.com.

Online tools can help you manage your dental benefits

- › **Ask a Hygienist:** A team of licensed dental professionals will answer your questions via email within about 24 hours.
- › **Dental health risk assessment:** This easy-to-use online tool can help you better understand your oral health and risk factors for tooth decay, gum disease, and oral cancer.
- › **Dental care cost estimator:** You can look up estimates for common procedures and treatments from network dentists, so you can plan ahead.
- › **Extensive network of providers:** You can visit anthem.com/find-care/ to find a dental provider near you.
