

University of Nevada, Reno - Graduates Student Health Insurance Plan

Eligibility

Graduate Students on Assistantship

Graduate students who are admitted to an eligible graduate degree program and have a full time Graduate Assistantship (GA) and are enrolled in six (6) or more graduate credit hours at the University of Nevada Reno are automatically enrolled in the student health insurance plan at no charge to the student unless they choose to submit an insurance waiver of comparable coverage. Graduate students who are admitted to an eligible graduate degree program and have a part time Graduate Assistantship (GA) and are enrolled in six (6) or more graduate credit hours at the University of Nevada Reno are automatically enrolled in the student health insurance plan with half of the insurance premium paid by UNR. Half time GA students who do not submit an insurance waiver of comparable coverage will have their student accounts charged for the remaining half of the insurance premium.

Graduate Students NOT on Assistantship

All eligible degree-seeking graduate students enrolled in six (6) or more graduate credit hours are automatically enrolled in the UNR sponsored student health insurance plan, unless they choose to submit an approved insurance waiver of comparable coverage.

Eligible students will be charged a Health Insurance Fee for the Fall and Spring/Summer terms. All students who have the student health insurance plan during Spring 2023 term will be covered through August 14, 2023, regardless of summer credit hours. This means if you have paid the Spring/Summer student health insurance charge, you will have continuous coverage throughout summer term, regardless of taking classes, traveling or graduating.

Waiver Information

Graduate students who have insurance that is comparable to the UNR Student Health Insurance Plan offered through a different insurance company (i.e. through an employer, spouse, parent/guardian, scholarship, etc.), and DO NOT want to take part in the UNR Student Health Insurance Plan, must complete the online waiver process by the waiver deadline and have the waiver approved to have the insurance fees removed from your student account. Students must submit an approved waiver once per academic year.

Students who are eligible and do not have insurance will automatically be enrolled in the UNR Student Health Insurance Plan each term you are eligible, (Fall and Spring/Summer), and your student account will be charged.

To waive out of the insurance plan you must complete an approved online waiver through unr.myahpcare.com. All online waivers must be submitted by 11:59PM PST on the dates listed below. The listed dates are hard deadlines; No waivers received after this time will be accepted.

Eligible dependents of those enrolled in the plan may participate in the plan on a voluntary basis.
